01 The *profile*

Results-driven marketer who builds departments from scratch, leads cross-functional teams, and aligns every campaign with real business objectives.

Proven expertise in developing integrated marketing strategies and managing high-performance advertising across **Google Ads, Meta Ads, Snapchat Ads and TikTok Ads**.

Drives growth through **data-driven decision-making**: customer acquisition, lead generation, branding, CRM optimization, marketing automation and conversion rate optimization.

Manages budgets, analyses KPIs and leads creative teams to deliver measurable results and sustainable brand growth.

Healthcare Automotive ERP Retail FMCG Pharma Beauty

02

Core *expertise*

The full growth stack, from strategy to the last pixel of the landing page.
